I would like to take this opportunity of extending the hearty congratulations of the FBI upon the outstanding manner in which you and your assistants recently prosecuted a group of communist leaders charged with violating the Smith Act.

Honorable J. Edgar Hoover,
Director,
Federal Bureau of Investigation,
Department of Justice,
Washington 25, D. C.

Dear Mr. Hoover:

With the recent successful conclusion of the trial of United States v. Trachtenberg, et al., involving a conspiracy to violate the Smith Act, I would like to bring to your attention the excellence of the services and cooperation received from personnel of the Federal Bureau of Investigation, in particular, Special Agent Arbor Gray of the New York Field Office.

Special Agent Arbor Gray worked in close personal association with me daily throughout the preparation for trial and during the trial itself. He acted as liaison between the Bureau and our staff. I am at a loss to think of any way whereby Mr. Gray could have increased the value of his contribution to the prosecution of the case. He was in constant attendance, receiving and filling our requirements during our working day and after hours, both evenings and weekends. His grasp of the subject matter was truly remarkable and he performed his work with the greatest of competence and efficiency. Without his assistance, it is difficult to see how the prosecution could have been conducted successfully.

His performance reflects great credit upon your organization and is in keeping with the high standards of the Federal Bureau of Investigation. It gives me great pleasure to call to your attention this fine example of public service.

Very truly yours,

THOMAS B. GILCHRIST, JR.,
Acting United States Attorney.

Sincerely yours,

SUBJECT : COMMUNIST PARTY, USA - BRIEF
(Prosecution of Additional Communist
Functionaries under the Smith Act -
New York)
INTERNAL SECURITY - C

August 13, 1956

RE: INCENTIVE AWARDS AND COMMENDATION

New York Smith Act trial, lasting three months, concluded 7/31/56 with guilty verdict against six defendants. One defendant received directed verdict of acquittal 6/18/56. Trial considered extremely important since defendants were prominent national functionaries and constituted "second string" leadership of party. Lapse of five years between indictment and trial presented difficulties and necessitated development of considerable additional evidence and numerous witnesses for successful prosecution. Assistant Attorney General Tompkins and Chief Trial Attorney, Assistant U. S. Attorney Gilchrist highly commended Bureau and agent personnel, New York.

SAC, New York recommended incentive awards be granted to ASAC Donald E. Moore (\$200), SA William G. Currall (\$250), SA Arbor W. Gray (\$300), Supervisor James T. Neagle (\$200), and Staff Supervisor Warren Marchessault (\$200) for superior work prior to and during trial. SAC, New York also recommended ten agents for commendation.

By memo 8/7/56 and 8/10/56, Domestic Intelligence Division concurred in above recommendations and recommended SOG Supervisor Edwin F. Dooley for commendation.

AGENTS RECOMMENDED FOR INCENTIVE AWARDS:

ASAC Donald E. Moore: Handled all phases of investigation in preparation for trial. Maintained close liaison with the Department attorneys and assured additional evidence produced without disclosing current Bureau informants. Closely followed all phases of case and demonstrated initiative and good judgment in handling numerous requests of Department attorneys and was able to keep these requests in line with established policy.

In addition to this case he has been responsible for supervision of entire Smith Act program in New York Office for approximately 2 years. Personally directed arrements of Dr. Albert Emanuel Blumburg, Philadelphia Smith Act subject, Martha Stone, New Haven Smith Act subject, Max Morris Weiss, Chicago Smith Act subject, and Edward Eugene Strong, Boston Smith Act subject.

Since New York is national headquarters of Communist Party, the New York Office figured in practically all Smith Act prosecutions either in location and apprehension of subjects, furnishing of witnesses or location and production of exhibits. Since Moore has been ASAC in New York his supervision of this work has been of a superior nature.

SA William G. Currall: Acted in liaison capacity with U.S. Attorney's office from May, 1955, until completion of trial. Responsible for preparation, maintenance and handling of all Government exhibits. Assisted in devising and operating cataloguing in courtroom and his excellent work contributed greatly to success of prosecution. Also obtained and furnished to attorneys information concerning defense witnesses, utilized to excellent advantage during close examination. Government attorneys advised his handling of exhibits was superb and his performance was the most competent possible.

SA Arbor W. Gray: Engaged in preparation of case for trial since May, 1955. Sat at counsel table during trial and performed duties in superior manner. AUSA said his

COPY - 137

work was excellent and responsible, to great extent, for success of prosecution. Assisted attorneys with background material regarding case and details concerning witnesses. Familiar with previous Smith Act case in which he participated and was able to advise attorneys with regard to tactics used by defense in trial, thereby enabling them to anticipate problems which might arise. SA Gray is a student of Marxism-Leninism which enhanced his value to attorneys during trial with whom he worked closely in considering additional witnesses and coordinated their requests. Did outstanding job in locating witnesses. Anticipated appearance of defense witnesses and had detailed information and documents available for cross examination.

SA James T. Neagle: Supervised case since April, 1955. Showed imagination, ingenuity and thoroughness in location of additional witnesses, location of exhibits and handled numerous problems which arose in connection therewith. Supervised preparation of communications to various offices regarding interviews of prospective witnesses. Responsible for insuring that requests of attorneys were promptly handled, zealously protected Bureau's interest and supervised assignment of personnel to report daily trial proceedings and kept Bureau currently informed of all important developments. Work superior nature.

Staff Supervisor Warren Marchessault: Over-all direction of investigation. Outstanding work in development of additional witnesses and made frequent and quick decisions as problems arose. Supervised locations of exhibits and assignment of interviews and insured all witnesses were called to attention of attorneys. Reviewed daily trial summaries and insured Bureau was fully and promptly advised of all important developments. Supervised preparation of reports and other communications and as a result of his knowledge of previous Smith Act case was able to efficiently supervise the activity regarding location of pertinent exhibits. His work considered superior and materially contributed to conviction of defendants.

BUREAU RECORDS OF THE FOREGOING AGENTS:

ASAC MOORE EOD 3/10/41, GS-15, \$11,610. Transferred to New York as ASAC 9/23/54 and since then commended on four occasions

COPY - 137

and censured on five. SA CURRALL EOD 11/17/47, GS-13, \$8990. Transferred to New York 4/25/55. No administrative action since then; however, received \$200 meritorious increase 9/8/54 in connection with Smith Act Trial in Philadelphia. SA GRAY EOD 11/6/50, GS-12, \$7570. Transferred to New York 10/7/51. On 2/15/53 received \$200 meritorious increase in connection with New York Smith Act Trial. One commendation through SAC since then. No censures. SA NEAGLE EOD 2/16/48 as SA, GS-13, \$8990. Transferred to New York 9/16/48. Presently assistant supervisor. Commended three three times by Director and once through SAC. Censured twice. SA MARCHESSAULT EOD 8/26/40, GS-14, \$10,750. Staff Supervisor. During last three years has been censured on four occasions, commended twice and received \$200 meritorious increase 10/24/54 for participation in development of confidential source of information.

Under the approved table utilized in determining the amount of incentive awards to be given under the Incentive Awards Program, it is felt that the accomplishments of the agents recommended for such awards have been of moderate value and broad application, thus entitling them to awards of between \$150 and \$300. The amounts of awards recommended in this case are consistent with awards previously approved in Smith Act trial cases.

RECOMMENDATIONS:

(1) It appears that SAs William G. Currall and Arbor W. Gray, of the New York Office, made the major contributions to the success of this trial and from information submitted it is difficult to distinguish between the value of their individual performances. Therefore, it is recommended that each receive incentive awards in the amount of \$250.

In view of the transfer of Supervisor Miles J. Minter to the Washington Field Office, it is necessary for the Central Research Section to have a replacement immediately. It is believed that the above-captioned Agent is the best qualified at this time to fill the position. (SA Gray has previously been recommended for consideration as a Supervisor in the Central Research Section in a memorandum from W. C. Sullivan to Mr. Belmont dated May 18, 1956.)

(Mr. Gray has an excellent background in communism. He not only has a practical working knowledge of the subject but is also a careful student in that field. On his last efficiency report, it was pointed out that Mr. Gray has demonstrated outstanding ability to handle matters of a highly complex nature. He has had experience as a relief supervisor in the New York Office. According to his file, he is a studious person and, therefore, should, with experience and instruction, develop talent for research and writing.)

RECOMMENDATION:

That Special Agent Arbor W. Gray be assigned to a supervisory position in the Central Research Section, Domestic Intelligence Division.

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared. Rate items as follows:

- + Outstanding (exceeding excellent and deserving special commendation).
✓ Satisfactory (ranging from good to excellent but not sufficient to rate outstanding).
- Unsatisfactory.
○ No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

An 'Outstanding' rating cannot be justified unless all elements rated are 'plus', and in addition, of course, supporting comments must comply with the requirements as set out on the reverse of form FD-185.

So far as 'Satisfactory' and 'Unsatisfactory' ratings are concerned, it is impossible to provide a mechanical formula for computing the various 'plus', 'check', and 'minus' marks because such would presume equal weight for all elements rated. Good judgment must be exercised to insure that the adjective rating is reasonable in the light of the elements rated. All minus marks must be supported by narrative detail, and of course, all 'Unsatisfactory' ratings must comply with the requirements as set out on the reverse of form FD-185.

ARBOR W. GRAY, SPECIAL AGENT, GS-12
SPECIAL PERFORMANCE RATING, 11/30/56

This performance rating is being prepared in view of this agent's transfer to the Seat of Government.

This agent is of average height and build and presents a neat personal appearance. He has an excellent personality and meets people well. (During the rating period, he has been assigned cases involving Smith Act prosecutions. In this connection he has maintained excellent liaison with the USA's office. He has demonstrated an outstanding ability to handle matters of a highly complex nature. He is qualified to participate in raids and dangerous assignments. He is also qualified to perform arduous duties.)

(This agent is considered to have outstanding prospects in advancing in the Bureau's services. He has handled every assignment given to him in a considerably above average manner. He is the type of agent who can be given an assignment with a knowledge that the assignment will be handled in the best traditions of the Bureau.) To express his ability in general terms, it is felt that this agent is head and shoulders above the average agent of his length of service. (I have been particularly impressed with the caliber of this agent's work and truly feel that during the rating period, he has performed in an enviable fashion.)

(The Bureau by letter dated April 10, 1956, to the SAC in Cleveland commented on the painstaking and diligent efforts of the agents who prepared prosecutive type reports in connection with a Smith Act trial in Cleveland. Among the agents responsible was SA GRAY.)

By letter from the Director dated August 22, 1956, this agent was approved for a cash award in the amount of \$250.00 for his notable services in connection with the case entitled, "U. S. vs. ALEXANDER TRACHTENBERG, et al.

(By letter dated August 3, 1956, to the Director from Acting U. S. Attorney Thomas B. Gilchrist, Jr., SA GRAY was highly commended in connection with the work he performed in a liaison capacity involving the above-mentioned prosecution)

(SA GRAY received training as an Inspector's Aide on 6/3/55. However, he has not participated in any inspection during the rating period.)

(SA GRAY's type of assignment has not afforded him an opportunity to participate in the Security Informant Development Program in this office.)

(SA GRAY is an approved relief supervisor and in that capacity has on several occasions acted as a supervisor in the absence of the regular supervisor. In these instances, he has demonstrated above average supervisory ability and handled these assignments in every instance in an excellent fashion. He is well qualified at this time to handle supervisory duties at the Seat of Government.) *ok*

NARRATIVE COMMENTS

Note: The regulations require that OUTSTANDING ratings be supported by a statement in writing setting forth IN DETAIL the performance IN EVERY ASPECT and the REASONS for considering each worthy of SPECIAL COMMENDATION. UNSATISFACTORY ratings must be supported by a statement in writing stating (1) WHEREIN the performance is unsatisfactory, (2) the facts of the (90 day) PRIOR WARNING, and (3) the efforts made AFTER THE WARNING TO HELP the employee bring his performance up to a satisfactory level.

Name of Employee ARBOR W. GRAY Title Special Agent, GS-12
 Rating Period: from 4/1/56 to 3/31/57

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.
 Rate items as follows:
 + Outstanding (exceeding excellent and deserving of special commendation).
 E Excellent.
 ✓ Satisfactory (good or very good).
 - Unsatisfactory.
 O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

PART I GENERAL COMMENTS

(Mr. Gray is relatively new to the Central Research Section, arriving from New York on December 3, 1956. Therefore, he has been able to make a far better than average adjustment to the responsibilities of a Supervisor in this Section.) Mr. Gray dresses well, has a pleasant personality, and is well liked by all who know him in the Section. (He is a serious, perceptive, and academic-minded person of superior intelligence. The work he has done to date demonstrates that he is highly capable, conscientious, and a loyal employee of this Bureau. Mr. Gray, in view of his sound judgment, industry, methodical procedures, and attention to details, as well as his ability to get along with people, would definitely have potentiality for advancement. He is interested in administrative advancement and is available to take any assignment which the Bureau may care to give him. Mr. Gray is not being recommended for administrative advancement at this time because of his inadequate experience as a supervisor. *also*

Because of the high quality of work which Mr. Gray has done throughout the year, he is entitled fully to the rating of Excellent within his grade.

During the week of May 20-24, 1957, the Reading Room detected a typographical error in the yellow file copy of the monograph The Communist Party and Social Reform submitted by the captioned Special Agent. This monograph was a 43-page document which was subsequently submitted for the approval of Bureau officials with the recommendation that the monograph be disseminated outside the Bureau.

This delinquency was discussed with Special Agent Gray, who indicated that he was very sorry he had failed to detect this typographical error in the material submitted. Gray indicated that he had very carefully read the document prior to submitting it and he would make every effort to prevent a reoccurrence of this delinquency.

RECOMMENDATION:

In accordance with the provisions of the Supervisors' Manual, "Administrative handling of errors" on page 30, it is recommended that Special Agent Gray be censured for this typographical error.

SA Gray has been serving as an Agent since 11-6-50 and he has been in Grade 12 since 7-31-55. He is available for special and general assignment and is being considered for Grade GS-13 promotion inasmuch as he has been serving as a full-time supervisor in the Domestic Intelligence Division since 12-3-56.

On 2-15-53 he received a MERITORIOUS INCREASE to \$5875 per annum in GS-10 in view of his outstanding work performance in connection with the trial and prosecution of the Communist Party functionaries in New York who were convicted under the Smith Act on 1-21-53. His handling of the important Government witness, John Lautner, and of the case involving Arnold Johnson was particularly outstanding. On 8-22-56 he received a CASH AWARD of \$250.00 in view of his exceptional performance relative to the recent trial of Communist functionaries.

The comments of his 1954, 1955 and 1956 annual reports reflected he was considered an above average agent and on 3-31-57 he was rated Excellent. On 12-3-56 he was transferred to the Seat of Government and he is presently serving as a Supervisor in the Central Research Section of the Domestic Intelligence Division.

By letter dated 6-4-57 he was CENSURED inasmuch as an error appeared in a monograph on "The Communist Party and Social Reform" which he prepared and intended for dissemination outside the Bureau. *67-447981-81*

His daily average overtime for the last six months was as follows: May, 2 hours 20 minutes; June, 2 hours 29 minutes; July, 2 hours 14 minutes; August, 2 hours 11 minutes; September, 2 hours 12 minutes; October, 2 hours 11 minutes. *RECORDED - 133*

RECOMMENDATION: In view of the letter of censure directed to him on 6-4-57, it is recommended he be passed over at this time to be reconsidered for GS-13 promotion in February, 1958.

SUPERVISORS CHARLES D. FREEMAN
AND ARTHUR W. GRAY
CENTRAL RESEARCH SECTION
ADMINISTRATIVE MATTER

Supervisors Freeman and Gray have for a number of months been doing consistently outstanding work. They have the responsibility of preparing memoranda for the Director on current security and criminal matters, as well as responsibility for preparing specialized documents. Just recently they wrote on the request of the Director a document entitled "Peaceful Coexistence." This was disseminated outside the Bureau. While lecturing to a gathering of officers of the Office of Naval Intelligence on January 28, 1953, Admiral Vernon L. Lowrance and some of his associates raised with me the contents of the document "Peaceful Coexistence." They said they thought it was a most profound, incisive, and timely analysis of a subject which was misleading too many people even in important Governmental positions. Admiral Lowrance said that it was high time that peaceful coexistence was exposed for what it is, namely, a treacherous communist tactic. His associates echoed these sentiments, and it was said in their opinion some naval officials were inclined to adopt a soft attitude toward Russia because of the "peaceful coexistence" and propaganda. They told me that they had circulated their copies of the FBI document, "Peaceful Coexistence," very widely. Admiral Lowrance said he hoped that we would send out more documents of this same type.

Under the date of January 27, 1953, a letter was sent to the Director from Admiral L. H. Frost, Office of Naval Intelligence, in which Admiral Frost stated:

"Your study 'Peaceful Coexistence' makes quite interesting and timely reading. I have taken the liberty of distributing it to the Secretary of the Navy, the Chief of Naval Operations, and to their assistants for information. I am sure they will find it informative and thought provoking.

"I appreciate your forwarding these valuable studies when they are produced by the Bureau."

Memorandum to Mr. Belmont
Re: SUPERVISORS CHARLES D. BRENNAN
AND ARDOR W. GRAY
CENTRAL RESEARCH SECTION

As stated above, Supervisors Brennan and Gray prepared this document and they did it over a week end. This is characteristic of the type of enthusiasm that both show in their work.

In view of the above information, it does seem that both of these supervisors should be given consideration for receiving a letter of commendation because of the excellence of their work and their sustained enthusiasm.

RECOMMENDATIONS:

(1) That letters of commendation be given to Supervisors Brennan and Gray of the Central Research Section.

(2) That this memorandum be referred to the Administrative Division for handling.

The purpose of this memorandum is to recommend that Supervisor Gray be reallocated from GS-12 to GS-13. He was passed over for this promotion under date of December 3, 1957, in view of a letter of censure directed to him on June 4, 1957. He was to be again considered in February of this year. *WCS Sullivan*

Supervisor Gray has been assigned to the Central Research Section since December 3, 1956. He has done outstanding work. Mr. Gray is a very steady, consistent, enthusiastic worker, who regularly manifests sound analytical judgement. He is loyal to the Bureau and willing to accept any assignment the Bureau may care to give him. While Supervisor Gray did receive a letter of censure because of a minor error which appeared in a monograph on the Communist Party and Social Reform, it has in no way detracted from the high quality of the work which he does on a day-to-day basis. It is my belief, therefore, that this letter should not further stand in the way of his promotion.

On February 15, 1953, Mr. Gray received a meritorious increase in GS-10 because of his outstanding work and performance in connection with the trial and prosecution of the Communist Party functionaries in New York. This same outstanding talent possessed by Mr. Gray is now evident in the work that he does in the Central Research Section. Just recently he was recommended for a letter of commendation. On August 22, 1956, he received a cash award of \$250.00 for outstanding services. *82*

His sick leave has not been abnormal and his overtime has been most adequate. He is a willing worker and never hesitates to stay and work in the evening and come in on Saturday or Sunday when the nature of his work requires it. His attitude toward the Bureau and toward his associates is excellent.

RECOMMENDATION:

That Supervisor Gray be promoted and reallocated from GS-12 to GS-13.

By memorandum dated 12-3-57 SA Gray was considered for GS-13 promotion but was passed over to be reconsidered at a later date in view of the letter of censure directed to him on 6-4-57.

A review of his file reflects he has been serving as an Agent since 11-6-50 and has been in Grade 12 since 7-31-55. On 6-4-57 he was CENSURED inasmuch as an error appeared in a monograph on "The Communist Party and Social Reform" which he prepared and intended for dissemination outside the Bureau.

On 2-13-53 he received a MERITORIOUS INCREASE to \$5875 per annum in GS-10 in view of his outstanding work performance in connection with the trial and prosecution of the Communist Party functionaries in New York who were convicted under the Smith Act on 1-21-53. His handling of the important Government witness, John Lautner, and of the case involving Arnold Johnson was particularly outstanding. On 8-22-56 he received a CASH AWARD of \$250. in view of his exceptional performance relative to the recent trial of Communist functionaries.

The comments of his 1954, 1955 and 1956 annual reports reflected he was considered above average and on 3-31-57 he was rated Excellent. On 12-3-56 he was transferred to the Seat of Government as a Supervisor in the Domestic Intelligence Division where he is presently assigned to the Central Research Section.

RECORDED - 100

His daily average overtime for the last six months was as follows: July, 2 hours 14 minutes; August, 2 hours 11 minutes; September, 2 hours 12 minutes; October, 2 hours 11 minutes; November, 2 hours 28 minutes; December, 2 hours 50 minutes.

By memorandum dated 2-4-58 Mr. Sullivan recommended he be promoted to Grade GS-13 and Mr. Belmont and Mr. Boardman concurred in this recommendation. Mr. Sullivan stated he was a very steady, consistent, enthusiastic worker, who regularly manifested sound analytical judgment. He was a willing worker and never hesitated to stay and work in the evening when the nature of his work required. His attitude toward the Bureau and toward his associates was excellent.

RECOMMENDATION: SA Gray completed 1 year of supervisory duty at the Seat of Government 12-3-57 and he has been in Grade 12 since 7-31-55, or over 1 year. He has already been passed over for promotion to GS-13 in view of the letter of censure directed to him on 6-4-57 and he appears to meet all other requirements for such promotion at this time. In view thereof, and in view of his otherwise above average record, it is recommended he be promoted to Grade GS-13, \$8990 per annum, at this time.

Office Memorandum • UNITED STATES GOVERNMENT

TO : DIRECTOR, FBI

DATE: February 19, 1958

FROM : MR. A. H. BELMONT *AK*

SUBJECT: ARBOR W. GRAY

ATTITUDE

The purpose of this memorandum is to report that the captioned employee reported for work on 2-18-58, notwithstanding the extremely hazardous travel conditions. In accordance with the Director's instructions this is to be made a matter of record in the employee's personnel file and considered as a COMMENDATION.

On Saturday, 2-15-58, the Washington, D. C., area was blanketed by fourteen inches of snow as a result of a storm which the Weather Bureau termed the worst that has struck this area in twenty-two years. Thereafter, high winds and near zero temperatures set in for several days making travel conditions extremely hazardous.

On Monday, 2-17-58, in recognition of the hardships and hazards that Federal Government employees would face in coming to work, a White House announcement was made encouraging such employees to stay home and take a day of annual leave. During the late afternoon of 2-17-58, a further official announcement emanated from the White House instructing that all Government employees who were not considered essential would be excused from work on 2-18-58 on Administrative Leave.

The captioned employee considered his work and his services to the FBI so essential that in spite of the foregoing announcement he took it upon himself to come to work and perform his regularly assigned duties. This is considered a highly exemplary attitude on the part of this employee and his actions in this instance certainly demonstrate his devotion to duty and the fact that he places his employment with the FBI above his personal convenience.

RECOMMENDATION:

That this memorandum be placed in the employee's personnel file.

ARBOR W. GRAY

PART I GENERAL COMMENTS

(Mr. Gray entered the Central Research Section from the New York field office on December 3, 1956. He has developed rapidly into a highly valuable employee of this Section. Mr. Gray is a natural analytical student with very superior ability in the field of research and writing. He is accurate, thorough, precise, and penetrating in this work.) His judgement is mature and sound. (He is imaginative and able to see beyond the immediate facts and grasp the implications present. Similarly, he is very adept in evaluating and correlating his research findings.) Mr. Gray is very conscientious, industrious, enthusiastic, and loyal. (At the present time he is assigned to the highly important Crimdel program being handled by the Current Research Unit of this Section. This is a new research field and Mr. Gray has repeatedly demonstrated his ability to quickly grasp the essentials of a new complex problem and to make the proper adjustment. He has demonstrated his ability to direct personnel and to draw forth from them the maximum amount of work. Mr. Gray is fully able to handle complicated investigative matters and to participate in raids and dangerous assignments. He produces an above average volume of work and in so doing avoids routine procedures and matter-of-fact handling of assignments. Mr. Gray does not have any physical or availability limitations which would in any way interfere with his work performance.) His voluntary overtime is quite adequate. Mr. Gray while earning 104 hours sick leave within the rating period took 107 hours, but this is not considered to be abnormal.* Under date of June 4, 1957, Mr. Gray received a letter of censure for an error detected in a monograph which he wrote for outside dissemination. However, under date of February 6, 1958, Mr. Gray received a letter of commendation from the Director relating to the outstanding work which he is doing in the Research Section. He also received commendation for his excellent attitude displayed in reporting for work on February 18, 1958, despite the heavy snowstorm and hazardous traveling conditions. Mr. Gray was promoted from GS-12 to GS-13, effective February 9, 1958. (It is to be noted that Mr. Gray also shows promise as a lecturer.) He dresses neatly and makes a consistently good appearance.

Memorandum to A. H. BELMONT
RE: CURRENT COMMUNIST SUBVERSION
AND ESPIONAGE IN THE UNITED STATES

It should be noted that assignments for this BRIEF were initially made in the beginning of August, 1958, and immediate action was taken by the above personnel to prepare the necessary material inasmuch as the Director's briefing was to originally take place in early September, 1958. Subsequently, his appearance was postponed several times, usually one or two days prior to the appointed date. This necessitated a continuing responsibility on the part of the agent supervisors above to keep abreast of any new data and insure that such data would be added to the Director's material. Expeditionous handling was necessary to insure that all amendments and revisions were subsequently made so that the Director would be kept currently advised.

RECOMMENDATION:

That the above-named employees be given letters of commendation for their outstanding contributions in the preparation of the material mentioned above.

Since my return from lecturing at Fort Knox, Kentucky, I have learned that letters of commendation have been recommended for two supervisors of this Section because of their outstanding work done on the Director's speech given before the President and his Cabinet on Thursday of last week. These two men are Supervisors Arbor W. Gray and John E. McHale.

It so happens that Mr. Joseph F. Condon did a tremendous amount of work himself on this speech and his contribution was fully the equal of the contributions made by Gray and McHale. Therefore, it would be markedly unjust to commend Gray and McHale without commending Condon. If Condon cannot be commended, I seriously believe that in the interest of justice and morale of the men, it is better not to commend Gray and McHale.

RECOMMENDATION:

That Supervisor Joseph F. Condon be given a letter of commendation along with Gray and McHale.

It is recommended that the enclosed copy of a letter of commendation from the Director to the Central Research Section be placed in Mr. Gray's personnel file. Mr. Gray was a source of great strength to this highly important and special research job. The thought which he contributed and the inspiration which he gave to others throughout the assignment deserve attention here. As with the other men assigned to this analysis, Mr. Gray worked regularly evenings, Saturdays, and Sundays until it was finished.

Dear Mr. Hoover:

At the Conference of National Organizations meeting in Atlantic City, March 1-3, I had the pleasure of listening to two of your operatives, Messrs. William C. Sullivan and Arbor W. Gray, and Mr. J. Patrick Coyne, NSC Representative on Internal Security, who formerly worked for your agency.

These men made excellent presentations and completely captivated their audience with their discussions at the conclusion of their prepared addresses. The information they gave us was current, vital, however subject to the limits which the agency itself must impose. What particularly impressed me and what I had the pleasure to remark about later was that they seemed more concerned with the humanities than some of the people who were asking questions. In other words, contrary to the often unfairly-expressed opinions of the F.B.I., these men were militantly protective of our civil rights and liberties and the greater majority of us were left with a much warmer feeling toward the F.B.I.

I certainly felt that their honest appraisal of our internal security problems, their answers to the questions that could be answered, and the full and explicit explanations they gave certainly have reawakened and reaffirmed my already high opinion of the F.B.I. and I hope the American people will always have the competency of individuals like yourself and your associates at the helm to cope with some of our nation's gravest problems.

Dear Mr. Hoover:

Inspector William C. Sullivan and Supervisor Arthur W. Gray of your staff did so excellent a job for the Bureau---and for the Nation---in Atlantic City earlier this week that it occurred to me that the word should be passed directly to you.

These gentlemen spoke, as you know, at a restricted, no-publicity, meeting of the Conference of National Organizations devoted to discussion of the Communist threat in broad terms. Their presentations opened the day and a half meeting and certainly key-noted it to perfection. I was unexpectedly detained from personal attendance, but a number of my staff who chairmanned the first session and the reports of others make clear that this is true.

Your men not only expressed their information in a manner which held the close attention of this significant audience. They also conveyed incidentally an impressive proof of the grasp that they and obviously the Bureau have of the problem, all the way up to its spiritual aspects. Inspector Sullivan was still being quoted by other speakers late on the second day, many hours and many thousands of words after he had spoken.

The contribution of Messrs. Gray and Sullivan to this conference will have to be measured in a future spread of increased attention to the anti-Communist cause by these some 28 or 29 national bodies involving millions of Americans. They may have done more than they would estimate, in this regard.

Thanks for making it possible for them to be on the program.

Mr. Gray participated with me in the Conference of National Organizations held at Atlantic City, New Jersey, March 2-3, 1959 (a separate memorandum on this Conference is being submitted). I wish to point out in this memorandum that Mr. Gray conducted himself in a very capable and learned manner and was a distinct asset to the Bureau at this Conference. Despite the fact that this was his first public engagement of this kind for the Bureau, he showed fine poise and confidence.

For two hours we were bombarded with all kinds of the most difficult type of questions coming from the heads of over twenty of this country's most important national organizations whose viewpoints conflicted with each other. We made no effort whatsoever to duck or dodge any question, no matter how difficult or delicate it was. Mr. Gray held up noticeably well in the face of this bombardment. He presented a factual, balanced point of view which, of course, did not satisfy the preconceived beliefs and prejudices of some of the questioners, but it was a balanced position which the Bureau has always taken and wouldn't want modified in any particular.

I was very pleased with Mr. Gray's first performance and I do think that in the future he will continue to make a most superior representation for the Bureau before the public. Most certainly I would like to have him appear with me again on any such forum for he was of great assistance to me and a real credit to the Bureau.

RECOMMENDATION:

For the information of the Director.

Pursuant to your request, I interviewed Mr. Gray on 3/5/59, inasmuch as we had received some very unfavorable remarks concerning his actions at the Conference of National Organizations in Atlantic City on 3/2 and 3/3/59. Mr. Gray, Inspector W. C. Sullivan and Mr. J. Patrick Coyne of the National Security Council appeared in a panel forum on 3/2/59, at the Conference. The general topic was understanding of Russian aims and methods. Mr. Gray's talk lasted for only 15 minutes.

I advised Mr. Gray of the unfavorable remarks received and of the fact that his actions had been described as similar to those of a shyster lawyer. Mr. Gray was considerably shaken upon learning of this and was at a loss to understand why the remarks had been made. He said that he and Mr. Sullivan had received numerous compliments on their presentation and that they both honestly felt they had done a good job and had properly represented the Bureau. I asked Mr. Gray if he had been straightforward, sincere and forthright in making his presentation and in answering questions and he advised me that he had to the best of his knowledge. I asked him if he had been overly aggressive or whether he had offended anyone either at the Conference or at any of the social affairs in connection with the Conference and he said as far as he knew he had not.

Mr. Gray advised me that he and Mr. Sullivan had mixed freely with those in attendance at the Conference and had attempted in every way possible to represent the Bureau properly and to let those in attendance know just exactly what our responsibilities are. In making these various contacts I questioned Mr. Gray very closely as to whether he had forced his way into any group or had been overly aggressive in taking over the conversation and

Memorandum to Mr. Tolson
Re: SA Arbor W. Gray

he said he had not, that he had merely mixed and mingled with those in attendance at the Conference the same as everyone else.

Mr. Gray presents a very good personal appearance, has an excellent personality, is very intelligent and has an excellent knowledge of the subject matter that he presented to the Conference. I noted absolutely no defect in his personality during the interview. He is an excellent conversationalist and handled himself very well during the time I talked to him. This was Mr. Gray's first appearance before the public representing the Bureau. He advised me, however, that he has made a number of public appearances before, primarily during the time he was studying law in college. He was on the debating team at Duke University and was Secretary of the local Bar Association. He appears regularly before In-Service classes and apparently handles himself very well.

Mr. Gray's over-all service record is above average and he is currently rated excellent. Inspector Sullivan has very high respect for Mr. Gray's ability and has written him up very favorably on numerous occasions. He has served in our Knoxville and New York Offices and since 12/3/56, has been at the Bureau in a supervisory capacity. Based upon this Bureau record, his appearance and the way he handles himself, I believe that he has excellent potential for representing the Bureau in the future. Based upon my interview with Mr. Gray, I was unable to determine any reason why we received such unfavorable comments concerning his actions.

The above has been submitted for record purposes.

March 18, 1959

Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Ninth Street and Pennsylvania Avenue
Washington, D. C.

Dear Mr. Hoover:

Thank you for making it possible for our visiting delegation from The Netherlands to meet with representatives of the Federal Bureau of Investigation. Mr. Walter Pasternak, who represented the Society at the meeting, tells me that the delegation was cordially received and that their questions were answered directly and with a candor appreciated by every member of the group. We would like to commend in particular Mr. William C. Sullivan, who directed the discussion and contributed a number of practical suggestions for effectively combating the inroads of communism. An expression of appreciation is due also to Mr. Sullivan's able associates: Mr. Arbor Gray, Mr. Joseph P. Condon, Mr. Charles D. Brennan and Mr. William E. O'Neill, Jr. Their comprehension of this important subject led to an exchange of ideas that I am sure the Dutch will find profitable.

In the presentation to the Dutch group, your bureau contributed to the development of yet another bulwark against further encroachment of communism in Europe providing substantial support to America's national aims as well as the aims of freedom loving people everywhere.

Thank you again for your efforts on behalf of our Society.

Sincerely yours,

/s/ James Monroe

Predication

Refer to the enclosed memoranda from C. D. DeLoach to Mr. Tolson dated March 5, and from E. R. Clayton to Mr. Tolson dated March 6, 1959, concerning Mr. Gray's appearance before the Conference of National Organizations held at Atlantic City, March 1-3, 1959. There are some additional facts relating to this matter which the Director would want to know pertaining to the criticism of Mr. Gray by W. C. (Dan) Daniel, past national commander of the American Legion. *N.J.*

Daniel Declared Neurotic

We have never investigated W. C. (Dan) Daniel but FBI files contain information derived from a United States Navy file containing records showing that Mr. Daniel was "discharged" from the Navy on May 9, 1944, "by reason of unsuitability for Naval service" (he was in the service only a little over two months). Further, it was said: "His neurotic preoccupation renders him unsuited for service." (77-74629-12) It is to be noted that as early as 1939, Daniel, on referring to himself, described what he called a nervous breakdown. (77-74629-17)

Under the date of March 29, 1957, the information contained in Naval records was disseminated in a letter from the Director to Mr. Loyd Wright, Chairman, Commission on Government Security. (Ibid., Serial 18)

Conflicting StoriesOne Lung or Two

Mr. Daniel, before his induction into the Navy, is reported as saying to a superior, Mr. Vincent, Personnel Manager, where he worked that he, Daniel, as a result of tuberculosis had only one lung. (77-74629-17) However, medical reports

Memorandum to Mr. Belmont
Re: Arbor W. Gray

referred to in FBI files show that in the past, Daniel has had "a moderate case of tuberculosis" but they do not say he has only one lung. The Navy records do say that Daniel had a "fear of developing tuberculosis. He knows that he does not have the disease but seems compelled to have examinations at frequent intervals for fear he has developed it." (Ibid.) As a matter of fact, one doctor stated that Daniel "never had active tuberculosis, x-ray showed fibrous tissue that was suspicious." (77-74629-17)

The Discharge - Physical or Mental

Information apparently coming from Daniel himself was secured by our Richmond Office to the effect that he was discharged from the United States Navy because of a lung condition. (94-47436-10) However, as set forth above, the Navy records show that Daniel was discharged by reason of unsuitability for Naval service. Naval records further show, "His neurotic preoccupation renders him unsuited for Naval service." (77-74629-2)

Daniel Charged with Immorality

The FBI has been informed that three persons have advised that Mr. Daniel, though married, dated (for four or five years) a Miss [redacted] stopping only when seeking an elective office in the American Legion. Presumably he feared a disclosure which would ruin his chances of election. The FBI has been informed^{b6} that Miss [redacted] "made a steady routine of going away from town with this man^{b7c} and living with him from time to time." This information has also been furnished by a Director's letter to Mr. [redacted] (77-74629-18)

Protection of FBI

Either what the FBI files contain on Mr. Daniel is true or it is not true. If it is not true, then we have disseminated to the Commission on Government Security false information damaging to a man's character and reputation. If it is true (and we have no reason to believe from our files that it is not) then we need to pause, to think and to wonder how a man of this type with only about two months of service for which he was declared unfit because of a neurotic condition could rise to a top position in any veterans organization. It is incredible, but it happened. Granting the correctness of our files, it is evident that this man "has played to the hilt" the American Legion for his own interests. We must be careful he does not "play to the hilt" the FBI for his own interests. (Mr. Daniel's picture will be found in the enclosed copy of The Investigator.)

Memorandum to Mr. Belmont
Re: Arbor W. Gray

It is fully recognized that the FBI must deal with all kinds of people. We must be practical, realistic, and down-to-earth and accept the assistance when needed of men whose viewpoints and business, official and personal conduct we could never approve (in this instance, quite obviously Mr. Daniel as an officer of the American Legion has been helpful to the FBI). Nevertheless, in doing this we ought to know and keep in mind all of the facts about a man all of the time. When this is done, we are in a better position to accurately determine the degree of relationship desirable and so we can be on our guard against any trouble, misleading statements and embarrassment such questionable persons might cause the Bureau and its employees to suffer from.

The Criticism of Supervisor Arbor W. Gray

The reported criticism directed toward Mr. Gray by Mr. Daniel, which is enclosed, has now fallen into its proper focus. It is, of course, absolutely false. As to what the motive is for such a strange accusation, I am not in any position to say.

RECOMMENDATION:

For the information of the Director.

W.E.S.

ADDENDUM: 3/16/59 - CDD:mlw

No Lee
Mr. Daniel admittedly did not have the best suitable background to become a National Commander of The American Legion, i. e., only 60 days military service. He is, however, a brilliant speaker, a close ally and has many times staunchly defended the Director and the Bureau. As to his dating another woman, I am well aware of this rumor. This involved a woman by the name of [redacted] for The American Legion. As to the truthfulness of this rumor, we have no way of knowing. I have been recently informed that an official investigation by The American Legion during the year that Daniel was Commander reflected that there was no substance to this story, but that it had emanated from a political enemy of Daniel within the Legion whom Daniel beat out for Commander. We, of course, must take into consideration that Daniel was Commander while the investigation was being conducted and could therefore bring influence upon the investigating group.

b6
b7C

As to his neurosis, this is no doubt factually correct. He is definitely a hypochondriac and has on many occasions mentioned that he must not tax his physical strength severely in view of a possible recurrence of tuberculosis. He has also stated that he has only one lung. He was taken sick a number of times while National Commander.

As Mr. Sullivan points out, we must deal with all types of people in order to achieve necessary results. Daniel, of course, represented a strong organization which has been one of our best friends and staunchest supporters through the years. While I am satisfied Mr. Daniel's opinion of SA Gray was not justified, nevertheless when anyone calls regarding criticism of an FBI employee we must of necessity examine this criticism for what it is worth. I believe the best manner to prove Mr. Daniel wrong is to assign further appearances for Gray. He can undoubtedly handle himself very well and deserves this opportunity.

We are all subject to criticism - true & false. So when Gray was criticized it had to be noted, even though unwarranted. As to Daniel he has done many things in her behalf of the Bureau for which I am grateful. In this matter he may have been sincere though wrong. H.

ARBOR W. GRAY

PART I - GENERAL COMMENTS

Since entering the Central Research Section of the Domestic Intelligence Division in 1956, Mr. Gray has developed with remarkable rapidity. He is one of the most valuable men of this Section and is a distinct asset to the Bureau in every respect. Mr. Gray makes a fine personal appearance. He dresses neatly and appropriately, and he is within the desirable weight limitation. He creates the impression of dignity, substance, seriousness, and integrity. He has splendid posture and poise. Mr. Gray's personality is marked by a high grade intelligence, conscientiousness, integrity, loyalty, forcefulness, stability, enthusiasm, interest, and good judgment at all times. His work is done with precision, accuracy, and imagination. He can see beyond the present facts to the implications present.

Mr. Gray throughout the rating period has done excellent work as a researcher, writer, and lecturer. In regard to his lecturing Mr. Gray is very superior. In the first place, he is an informed man and speaks with a force of authority. In the second place, he thinks quickly on his feet and has the ability to clearly organize his facts and forcefully and impressively present them. In my opinion, Mr. Gray will become one of the best lecturers that this Bureau has had.

Mr. Gray assumes the responsibilities of a unit chief when there is an absence. In this position he shows talent as an administrator and has an understanding of how to effectively direct personnel. Mr. Gray is fully able to handle the most complicated investigative matters and to participate in raids and dangerous assignments. He learns quickly and grasps the essentials of a problem without difficulty. He produces an above average volume of work, while at the same time maintaining a high level of quality. In doing this, he brings to his assignments an originality and freshness of viewpoint which is extremely valuable to this Section and to the Bureau.

Mr. Gray has not had any abnormal sick leave within the rating period, and his overtime has been most adequate. He is ever willing to work nights and week ends in order to expedite the work of the Bureau. During the present rating period Mr. Gray received three letters of commendation from the Director for the excellence of his work and his attitude.

**COMMENDATION MATTERS
CENTRAL RESEARCH SECTION**

Reference is made to the memorandum from Mr. M. A. Jones to Mr. DeLoach of June 17, 1959, which relates to outstanding efforts by persons in connection with the Director's speech delivered last night at Morris Harvey College.

On Wednesday, April 15, 1959, with the Director's approval, the Central Research Section initiated work on the preparation of a speech for the Director which could be delivered by him when receiving the citizenship award of the Junior Order of the United American Mechanics on June 16, 1959. In order to expedite this assignment, SAs Charles D. Brennan, Joseph F. Condon, Arber W. Gray, and John E. McHale, Jr., immediately commenced work on this assignment which they finished during the latter part of the following week. These Agents worked with enthusiasm and dedication, carrying out their assignments in an outstanding manner. These Agents worked late during the workday evenings and worked through the weekend in order to expedite the completion of this speech. On both Saturday and Sunday, April 18-19, 1959, these four men disregarded their personal commitments and conveniences and worked a combined total exceeding 68 hours at the office. After the speech was completed, these men assisted SA Brennan in closely cooperating with Crime Records Section so that the best features of the speech submitted by that Section could be combined with the best features of the speech submitted by the Central Research Section. Through the efforts of all men concerned, it is believed that this cooperative effort was successful.

RECOMMENDATION:

That the following Special Agent Supervisors be commended for their enthusiasm and dedication in carrying out this important assignment for the Director: Charles D. Brennan, Joseph F. Condon, Arber W. Gray, and John E. McHale, Jr.

U.S. GOVERNMENT
Memorandum

TO : Mr. A. H. Belmont

DATE: February 4, 1960

FROM : W. C. Sullivan

SUBJECT: OPERATIONS COORDINATING BOARD
INFORMATION CONCERNING (CENTRAL RESEARCH MATTER)

Reference is made to the memorandum from W. C. Sullivan to Mr. A. H. Belmont dated June 4, 1959, captioned as above, in which authority was granted to furnish an article on communism to the Operations Coordinating Board (OCB) for distribution throughout Latin America possibly under the name of the Department of State.

This article was submitted to OCB and a conference was held with State Department officials in which W. C. Sullivan participated. The State Department liked the material prepared so well that they thought it should be given the widest possible dissemination throughout Latin America and possibly Asia. It was further agreed that because of the immense popularity of the Director and his international recognition as the authority in the United States on communism, the article would be much more effective in combatting communism in various foreign nations if it was issued over the Director's own signature.

In view of this desire the article was rewritten in order that it would better conform to the Director's stature in American life. Mr. Hall of the Department of State with whom I discussed the matter said that his Department would be very grateful if the Director would issue it under his own signature. He said that we could disseminate copies in the United States and then they would immediately pick it up from there and have it translated into Spanish, Portuguese, and possibly French and give it widespread dissemination throughout all of Latin America. Mr. Carmichael of OCB said that they would be glad to make arrangements to print free of charge for the Bureau's use 5,000 copies.

*Advise U. Pres. & AS in due time
also copies to our special mailing list
This is a good opportunity to hit the communists in Latin America
The Bureau will serve a good purpose in this matter*

2. Mr. Gray and Mr. Condon were called upon quite suddenly when Inspector W. C. Sullivan was required to be out of town. They presented an excellent talk. They skillfully developed their material so as to keep the talk on a high level without going over the heads or under the intelligence of their audience.

The Central Research Section has been noting the favorable response by many people to the Director's article sent to them entitled "Communist Illusion and Democratic Reality." This article, which was originally prepared for the members of the National Strategy Seminar held in July, 1959, at the National War College, is of such a fundamental nature that naturally it had an application wider than the group for which it was written. Because of this, it is hoped that it has done the Bureau some good in different ways.

This article prepared in the Central Research Section received most generous contributions in time and effort from Supervisors Joseph F. Condon and Arbor W. Gray. Because of this, it is believed that the Bureau may wish to consider Mr. Gray and Mr. Condon for letters of commendation.

RECOMMENDATION:

That Mr. Gray and Mr. Condon be considered for letters of commendation.

PERFORMANCE RATING GUIDE FOR INVESTIGATIVE PERSONNEL

(For use as attachment to Performance Rating Form No. FD-185)

Name of Employee Arbor W. Gray Title Special Agent, GS-13

Rating Period: from 4/1/59 to 3/31/60

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving of special commendation).
- E Excellent.
- ✓ Satisfactory (good or very good).
- Unsatisfactory.
- O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

1. "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
2. "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - A. Any element rated "Unsatisfactory" must be supported by narrative comments.
 - B. An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.

ARBOR W. GRAY

PART I - GENERAL COMMENTS

Mr. Gray is a very talented, versatile, and capable man. He presently is engaged in extensive research and writing in the field of communism but he need not be limited to this type of work. He has the capacity to understand, organize, and direct personnel. He makes an excellent personal appearance, dressing neatly and handling himself appropriately under all circumstances. Mr. Gray is an excellent conversationalist and has impressive poise. His personality is marked by high-grade intelligence, integrity, stability, enthusiasm, humor, conscientiousness, and very sound judgment. He handles his work with confidence, precision, imagination, interest, and accuracy. He is capable of going beyond a set of facts to interpret and evaluate the meaning contained by them.

Mr. Gray has done some outstanding work during the present rating period. He was a coauthor of an article by the Director entitled "Communist Illusion and Democratic Reality." This article has made a tremendous impact throughout the country on those who have read it. Different men of importance writing in have stated that this article was the best they have seen coming from the FBI. He was also the coauthor of another article entitled "One Nation's Response to Communism." This also is a Director's article, prepared for the State Department. It was received so favorably there that the Voice of America asked the Director to tape record excerpts from it for beaming to Latin America. This has been done. Additionally, Mr. Gray is a very fine lecturer and fully able to lecture on communism, both inside and outside the Bureau. He thinks well on his feet and has the ability to make an excellent impression upon the public.

His volume of work is far above average, and, similarly, the quality of work done by him is uniformly very superior. Mr. Gray acts as a Unit Chief when the present Unit Chief is absent. He shows real promise as an administrator. Mr. Gray is fully capable to handle the most complicated investigative matters, as well as being able to participate effectively in raids and dangerous assignments. He is available for any kind of assignment.

Mr. Gray took 115 hours of sick leave during the rating period, but this is not considered to be abnormal because he had different ailments and was under the care of a physician.

During the present rating period Mr. Gray received three letters of commendation from the Director and two from outside agencies relating to superior lectures given by him.

Mr. William C. Sullivan
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Sullivan:

I was impressed with the high caliber of a brief concerning a matter of great interest to the Bureau in the security field and I am taking this means to thank you and, through you, the personnel under your supervision who worked on this project.

Everyone who took part in this delicate assignment demonstrated a great deal of diligence, skill and enthusiasm and the result of their efforts was an excellent and valuable brief. It is a pleasure to commend you for your competent supervision of this matter and I want you to express my appreciation to those who assisted for their fine work.

Sincerely yours,

Brief dated March, 1960ARISOR W. Gray
Domestic Intelligence

During March, 1960, we prepared, for the Director's information, extensive briefs on the two above-captioned subject matters.

The brief on "Communism and Religion" was prepared in the Internal Security Section under the direct supervision of Section Chief Fred J. Baumgardner. This brief involved the review of thousands of references and most of the Special Agent personnel of the Section participated in it. Some file reviews were made by personnel of other Sections of this Division. The personnel engaged in the preparation of this brief worked every evening and Saturdays and Sundays for over two weeks. In addition, while some delinquency did arise in the work of the Section, all special matters were handled and the delinquency was kept within reasonable control. A real effort is now being put forth to bring all the work in the Section up to a current status. Also, it should be noted that the extent of the matter of communist infiltration of religion has become a very controversial subject, and this brief had to be most carefully prepared and the information had to be judiciously evaluated to arrive at a proper Bureau position. I feel that an excellent brief was prepared in a very delicate field and that commendation would be in order for those who participated in the brief's preparation.

Memorandum to Mr. Parsons from Mr. Belmont

Re: "Communism and Religion"
Brief dated March, 1960

"Communist Infiltration of the Press"
Brief dated March, 1960

The brief on "Communist Infiltration of the Press" was prepared in the Central Research Section under the personal direction of Section Chief William C. Sullivan. His entire Section participated in the preparation of the brief, as did also some personnel of other Sections in the Division. The personnel directly responsible for this brief in the Central Research Section also worked evenings and weekends to get this brief prepared. Thousands of file references were reviewed and, again, I feel that an excellent brief, in another delicate field, was prepared, and that commendation is in order for the personnel who performed the major portion of the work on this brief.

It is believed it would be desirable that two letters of commendation be written--one to Mr. Baumgardner and the other to Mr. Sullivan--in their capacity as Section Chiefs--for the work which they and the personnel of their Sections performed in the preparation of these two briefs; that copies of the letters then be placed in the personnel files of the employees in each Section who made substantial contributions to the preparation of the briefs.

Attached is a list of the personnel in each Section whose files should receive copies of a letter.

RECOMMENDATION:

That letters of commendation as indicated above be prepared.

The briefing by Special Agent Arbor W. Gray, Domestic Intelligence Division, of the above-captioned group consisting of 40 men this morning was handled exceedingly well by Gray.

The 40 men assembled, as arranged, in Room 5231 at 9:20 a.m. today and were greeted by Inspector Wick on behalf of the Director, whose regrets were expressed at not being able to personally meet with them. It was pointed out that Mr. Gray had been designated by Mr. Hoover to discuss aspects of communism with them, that he intended to be frank with them and that consequently his remarks should be treated "off the record." Those assembled were thanked by Wick for their fine support of the Bureau in their respective communities and fields of endeavor. Mr. Gray was then introduced by Wick. SA Gray spoke for 40 minutes and did an exceptionally fine job. For 15 minutes thereafter he answered questions. Gray maintained the undivided attention of this distinguished group the entire time.

The Honorable Charles E. Wilson, former Secretary of Defense, asked Gray a question concerning succession of leadership of the Communist Party abroad and also a question relating to infiltration of communism into American labor unions. Gray handled these answers exceedingly well. Dr. Kenneth D. Wells, President of Freedoms Foundation, asked questions relating to communist infiltration into educational institutions. Mr. Arthur J. Morris, Chairman of the Industrial Bank of Commerce of New York and founder of the Morris Plan Banks, asked a question relating to what makes a communist tick.

After the briefing by Gray, the following individuals commented on their high regard and admiration for Mr. Hoover and the excellence of Mr. Gray's lecture. Rear Admiral Lewis L. Strauss wanted to be remembered to the Director; the Honorable Carl V. Weygandt, Chief Justice of the Supreme Court of Ohio at Columbus, mentioned the high caliber of Special Agent personnel, their obvious ability and their ability to express themselves cogently. He spoke highly of Mr. Hoover and the work the Director has done and is doing. Dr. Edward L. Elson told Wick he wished to be remembered

FBI Headquarters Briefing

to the Director. Former Senator Albert W. Hawkes from New Jersey said he is a strong admirer of the Director's and wanted his best regards conveyed to him. Mr. Norman Knight, President of the Yankee Network in Boston, commented on the splendid job Gray had done and the cordial relations his group has with SAC Laughlin of the Boston Office. Admiral Felix Stump, U. S. Navy (Retired), Vice Chairman of Freedoms Foundation, extended his best regards to Mr. Hoover and commented favorably on the briefing. Also in attendance were Roger S. Firestone of Pottstown, Pennsylvania; the Reverend Frederick Brown Harris, Chaplain of the U. S. Senate; the Honorable Herbert Hoover, Jr., of Los Angeles, California; Ralph W. Husted, an official of the Indianapolis Power and Light Company, who told Wick that one of his finest friends is Harvey Foster of the New York Office. He said if Mr. Hoover could pick men like Foster to head our offices, the country is in good hands.

All in all, I believe the briefing of this group by Mr. Gray this morning was a most worthwhile and beneficial undertaking. Many of those in attendance came up to Wick following the briefing and expressed their admiration for Mr. Hoover and the work the FBI is doing. They said uniformly it was a privilege to be given the benefit of Gray's remarks. Because of the pressure of time and the need for the group to arrive at the White House at 11:00 o'clock this morning it was not possible for us to meet each of the guests personally and talk with them.

Tour men from the Tour Control Room escorted the men from their busses to Room 5231 and escorted them back in a most orderly fashion.

A packet of material was given to each of the assembled persons at the conclusion of the briefing. Each envelope contained a copy of "Communist Target--Youth," "Expose of Soviet Espionage," "Communist Illusion and Democratic Reality," and other papers and statements by the Director designed to acquaint the guests fully with the communist menace.

RECOMMENDATIONS:

(1) That this memorandum be referred to the Administrative Division so that Special Agent Arbor W. Gray be given a very cordial letter of commendation for the excellent job he did this morning in briefing the guests who represent or lead some of the most powerful forces for good in the United States.

(2) That Mr. Stapleton be commended in the Tour Control Room for the efficient manner in which the guests were escorted to and from Room 5231 with minimum effort.

Re DALLAS FREEDOM FORUM

On 8-25-60 I was invited to a "kick-off" luncheon for the Dallas Freedom Forum, which is to be held in Dallas from September 20 through September 24, 1960. SA ARBOR W. GRAY has been designated as a speaker and for his information and the information of the Bureau, enclosed herewith are the program and registration form which were passed out at the "kick-off" luncheon.

The Vice-Chairman of the Dallas Freedom Forum, J. M. FULLINWIDER, in his kick-off speech, stated that the purpose of the Freedom Forum is to attempt by a large-scale educational effort to make the general population aware of and understand world Communism, what is freedom, and the theoretical question of "How Do We Keep Freedom?". Mr. FULLINWIDER also stated that the U. S. Navy is sending an official group to audit the entire Freedom Forum lecture program with the view in mind of possibly setting up a similar school within the Navy for new recruits, etc. They hope that the program will gain momentum and eventually national stature. It is backed by some of the most influential men in the Dallas area.

Mr. W. W. LYNCH, Chairman of the Dallas Freedom Forum, in his opening remarks mentioned that he had personally talked to Director J. EDGAR HOOVER prior to the initial planning of this Forum, and he publicly made several commendatory remarks regarding the Director, stating he appreciated greatly the time Mr. HOOVER spent with him this past summer.

Be assured of Dallas patriots' continued support of the invaluable FBI and particularly of you as Director.

Some of our limp-brained friends--about three of them--are fond of deprecating Maj. Edgar C. Bundy. Do you have a short eulogy you can send on him? I would appreciate 1/2-dozen copies of it in case I need to spread it around.

Thank you for your consideration.

Dear Mr. Hoover:

We express our appreciation for the invaluable assistance rendered by you and other members of your staff to efforts of the Dallas Freedom Forum. Your recent forwarding of several thousand copies of literature concerning the Communist menace for distribution through the Dallas Public School System is greatly appreciated. The Superintendent of schools is delighted with the material and is proceeding carefully but firmly with the insertion of this material into the curriculum of certain civic and history courses.

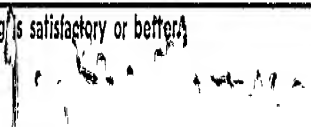

Mr. Arbor Gray, the agent assigned to speak before the Freedom Forum's September symposium, did an excellent job, was well received and a credit to the Bureau. The Forum was an overwhelming success, and the resulting interest and activity on the part of thousands of people all over the Southwest is amazing. Your assistance to this program has contributed mightily.

Our congratulations to you for your recent reappointment and acceptance to the position of Director. Your continued service to the security of this nation under succeeding administrations is a source of comfort and strength to many of us. We of the Dallas Freedom Forum offer you our support and best wishes in your work.

As the Bureau is aware, Mr. GRAY recently made several speeches in Florida which were sponsored by the State Reserve Officers Association. I was able to attend the meeting on 2/16/61 at Jacksonville and wanted to advise the Bureau of the quality of Mr. GRAY's performance on this occasion.

He makes an excellent personal appearance, is exceptionally well poised and has a very fine speaking voice. His address was well organized, interesting, and informative. I sat in the audience and was able to observe the reaction of a large number of those in attendance. They gave Mr. GRAY their full attention, and seemed to be most appreciative of the fact that he did not indulge in histrionics or wild and inflammatory statements. While his speech was most informative, he presented the Communist picture factually with restraint and in a dignified manner.

The audience, including myself, was also very favorably impressed with the manner in which he handled a question and answer period following his address. He did not evade questions, gave factual answers, and yet refrained from stepping outside the bounds of Bureau policy insofar as the discussion of confidential investigative techniques or international relations are concerned.

I believe that Mr. GRAY is to be highly commended. Certainly it was one of the best addresses on Communism that I have heard delivered to an outside group. I would also like to express my appreciation to the Bureau for making him available in this territory.

Subject: Domestic Subversion

Dear Mr. Hoover:

On behalf the Department of Florida, Reserve Officers Association, I wish to express sincere appreciation your Department in making Mr. Arbor W. Gray available for preling to the people of Florida the situation as to domestic subversion and espionage.

We were successful in arranging for Mr. Gray to deliver his message before several thousand people of all age groups and races in several communities of northern and central Florida. This was well received and we plan to follow up with local speakers to those many individuals who were unable to attend.

We are particularly pleased that this was timed to occur during R.O.A.'s sponsored "National Defense Week". Individually, I regret that the "flu" prevented my meeting Mr. Gray while he was here in Jacksonville.

We commend the Bureau for its continual efforts to preserve freedom for Americans and assure you that the Reserve Officers Association is willing and anxious to cooperate in any way you feel we may contribute to the common good.

Yours very truly,

Mr. J. Edgar Hoover, Director

Dear Mr. Hoover:

I would like to express the appreciation of the Tallahassee Chapter of the Reserve Officers Association for the assignment of Mr. Arbor W. Gray to the speaking tour in Florida this past week.

In Tallahassee Mr. Gray spoke to four different groups and his finesse in changing his presentation to fit each of the groups was outstanding. His message was well received on all occasions and we believe his presence in Tallahassee has done a great deal for improving race relations here because of the reception his speech received at Florida A. & M. University.

We would like to again thank you for permitting Mr. Gray to be with us in Tallahassee and hope we will have the pleasure of his services some time in the future.

SA Arbor W. Gray, Central Research Section, had been designated to speak at the captioned conference on March 21, 1961, at the Robert Meyer Hotel in Jacksonville, Florida. In response to a request from a representative of the DAR, the Director designated SA Gray by letter dated October 19, 1960, and arrangements for his appearance have been handled in correspondence between Gray and Mrs. Robert Baures in St. Petersburg, Florida.

SA Gray recently completed a number of speaking assignments in various cities in Florida. As a result of one of these appearances, it will be recalled, right-wing fanatics who misinterpreted Gray's remarks sent the Director a telegram and a letter criticizing SA Gray. In order to avoid providing these fanatics with further basis for provocative action of this type or of causing an embarrassing incident, it is believed advisable to substitute a speaker for the DAR conference Gray was to address on March 21.

SA Charles D. Brennan, Central Research Section, has handled similar assignments and, in fact, is scheduled to address a DAR state-wide conference in Toledo, Ohio, on March 14. In light of the existing circumstances, it is believed that it would be more advisable to designate Brennan to handle the DAR assignment in Jacksonville also.

Enclosed is a letter to Mrs. Robert Baures informing her that an emergency situation will preclude Agent Gray from being in Jacksonville on March 21 and volunteering to make available SA Brennan for that date.

RECOMMENDATION:

That the enclosed letter be approved and sent.

Agent Gray assisted me in the inspection of the Crime Records Division from February 21 through March 9, 1961. His assignments included various inquiries pertaining to the Crime Research Section of a substantive, administrative and personnel nature.

This was SA Gray's first inspection assignment. He demonstrated an excellent attitude and displayed a sound knowledge of Bureau policy and procedure. He approached his inspection assignments with enthusiasm and willingly shared the work load during the inspection. Memoranda and work papers prepared by SA Gray were well organized and objective. He handled a substantial volume of assignments in a highly competent manner and his work required a minimum of supervision. SA Gray was a definite asset to the inspection team.

SA Gray is available for general and special assignment and is interested in and available for administrative advancement. He is currently assigned to the Central Research Section of the Domestic Intelligence Division. He makes an excellent personal appearance and has an engaging personality. I would rate his potential for advancement as very good.

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

E Excellent.
✓ Satisfactory (good or very good).

Be Careful Of 'Labels' -- FBI Agent

A special agent of the FBI defended freedom of dissent here Tuesday night.

He warned against "vigilante action" in combating communism.

"Avoid the danger of confusing communism with legitimate dissent on controversial issues,"

Arbor W. Gray told 50 members of the Sales and Marketing Executives of Rockford.

Gray, a personnel supervisor at FBI headquarters in Washington, D. C., came here in advance of Rockford Freedom Week, which begins Sept. 24, as an official spokesman of the FBI.

He quoted his chief, J. Edgar Hoover, as saying:

"When anyone is erroneously branded a Communist, it not only constitutes an injustice to the individual, but also helps communism by diffusing the strength of anti-Communist forces."

Citizens have a responsibility to be certain of their facts and to report these facts to the proper authorities, Gray said.

Knowing what communism really is and how it operates will help Americans to be certain of their facts, the FBI agent told his audience at a dinner meeting in the Elks Club.

Communism feeds on social ferment on both the local and national levels, Gray explained.

"The Communist party, U.S.A., is continually exploiting social, economic and political grievances for its own tactical purposes," he said.

For this reason, he said, the party line (will frequently coincide with the views of many non-Communists on specific issues.

ARBOR W. GRAY

Gray warned Americans against indiscriminately labeling as Communists those whose opinions on a particular question may occasionally parallel the official party position.

He said Americans must also guard against the tendency to characterize as Communists those who merely disagree with us, or those who advocate unorthodox or unpopular beliefs.

"We must continue to combat communism; but, at the same time, the citizen must play a very positive role."

Anti-communism is not enough for an American, he said.

It is a negative role. Every citizen must be pro-democracy, pro-freedom and pro-America.

Counter Reds' Every Step, FBI Man Tells Executives

Communism in the United States is an internal security problem which must be followed closely and countered at every step. Arthur Gray, special FBI agent from Washington, D.C., said here Tuesday night.

He spoke to 50 members of the Sales and Marketing Executives Club, Rockford, new name of the Rock River Sales Executives Club, at a dinner meeting at the Elks Club.

The talk was the first of a series by speakers being brought here in observance of Rockford Freedom Week, to be highlighted next week.

The Communist Party uses "ingenious devices and constantly improved techniques," Gray declared.

"Communism poses a real, subversive challenge to our country, something that the FBI must contend with on a daily basis, and so must every American," he said.

"It is not enough to be anti-Communist. You must be positive also. Preserve America with the positive accent, if we are to meet this long-range challenge of the Communist Party."

Besides learning the true nature of Communism, Gray declared, "It is necessary to exercise your right to vote, to know your country and its history and to attack bigotry and prejudice."

munism there are many aspects beyond the average citizen, where you got to have experts working in the area." He said it is here that the FBI has its function.

"It takes the use of technical and scientific devices. It takes a real professional work to penetrate the spy network," Gray said.

"Avoid the danger of confusing communism with legitimate dissent," Gray said. He said the Communist view often parallels legitimate viewpoints.

He urged emphasis on the democratic way of life as being superior to communism.

Earle Schroeder, president, presided at the meeting.

Robert C. Nethercut, past president and now chairman of the Freedom Week observance in Rockford, urged attendance at the community Freedom Week meetings to be staged next Tuesday, Wednesday and Thursday.

Through Mr. Gray's presentation, I'm sure that the some of the clouds of suspicion and confusion that had been settling over our community, have been dissipated.

Again, our sincere thanks to you, to Mr. Sullivan, and especially to Mr. Gray, for your assistance.

Sincerely,

P.S. Would it be possible for you to put us on your mailing lists, so that we might get further information in regard to combating communism as it is released by the FBI?

SCREENING COMMITTEE INTERVIEW

Mr. Hyde and I interviewed SA Gray on 11-29-61 on behalf of the Screening Committee, Mr. Edwards being unable to attend. Gray makes an excellent personal appearance, has an affable personality, and impresses as a very mature, intelligent, stable, alert, and aggressive individual. He stated that he is very much interested in administrative advancement, has never declined to accept responsibilities offered him, and feels that his investigative background has been sufficiently varied to handle the duties of a field executive. He pointed out that he had served as a relief supervisor in the New York Office and had been assigned to two of the important Smith Act cases in New York wherein he handled arrangements for apprehensions, production of necessary exhibits, and sat at the council table during the trials. He felt that this had given him a good picture of the criminal side of the Bureau's work as well as the security aspects. He pointed out that he is also handling at present the Crimdel program and that his experience has included a great deal of public speaking and high-level contacts with important individuals in connection with these speeches. In addition, he has done writing and research work but feels his talents are not confined to this field. He stated that he is fully confident that he could handle the position of ASAC since he enjoys supervising personnel, has had some experience in this regard as relief supervisor, and recognizes the necessity for discipline and would have no hesitancy in exercising it.

Gray stated that he has no personal problems which would interfere with transfers; he is available for assignment anywhere; his health is good; and he is within desirable weight limits.

REC-140

67-411-117

The Committee concluded that SA Gray is among the better prospects interviewed for administrative advancement based on his personal qualifications as well as his work record.

RECOMMENDATION: That Gray be considered qualified for administrative advancement.

Mr. R. W. Smith has recommended SA Gray be promoted to Grade GS-14 based on his Seat of Government supervisory experience and Mr. W. C. Sullivan and Mr. Belmont concurred.

On 11-29-61 SA Gray was interviewed by the Screening Committee (Hyde and Tavel) which concluded that he was one of the better prospects interviewed for administrative advancement and he was completely available and had no personal problems. He made an excellent appearance, was very mature, intelligent, stable, alert and aggressive.

SA Gray entered on duty as an Agent 11-6-50, was promoted to Grade 12 on 7-31-55 and to Grade 13 on 2-9-58. SA Gray served as an approved Relief Supervisor in the New York Office from 3-8-54 until his transfer to the Domestic Intelligence Division on 12-3-56 where he has continually performed supervisory duties in the Central Research Section, and since June, 1961, he has been serving as Supervisor in Charge of the Current Research Unit. On the other hand, he has been Commended on 11 occasions, on 2-15-53 he received a Meritorious Increase for outstanding work performance in connection with the trial and prosecution of the Communist Party functionaries in New York who were being convicted under the Smith Act and on 8-22-56 he received a Cash Award of \$250. for his exceptional performance relative to a recent trial of Communist functionaries.  Attachment (Permanent Brief)

Seat of Government (SOG) Supervisors are normally considered for possible GS-14 promotion upon their completion of 5 years SOG supervisory experience with 5 years in Grades 12 and 13. SA Gray presently meets this requirement. The letter of censure directed to him in the past has been noted and he would normally be passed over for promotion in view of this action, however, in view of the length of time since that action was taken, his otherwise over-all excellent record, commendations, meritorious increase, cash award and apparent excellent qualifications for further administrative advancement, it is felt that favorable action concerning his promotion is warranted at this time.

RECOMMENDATION:

That SA Gray be promoted to Grade GS-14, \$12,210 per annum.

writing or speaking, SA Gray organizes and presents information in a very effective manner. He, also, provides valuable assistance and guidance to others in his Unit.

SA Gray is a superior speaker and lecturer regardless of whether the topic is classified or unclassified. He has an unusual quality which enables him to effectively adjust and adapt to new situations. His lectures outside the Bureau have involved a wide variety of audiences. He has appeared before a wide variety of governmental groups, including United States Army, Navy, Air Force, and foreign service personnel. In addition, he has lectured to religious, educational, professional, police, and industrial groups. In his 28 speech assignments outside the Bureau since July 1, 1961, SA Gray has demonstrated superior performance in his preparation and presentation of material.

Reactions from persons outside the Bureau strongly show that SA Gray is highly effective as a speaker and a Bureau representative. This esteem of the public is very important to the vital work of the Bureau.

By letter of September 29, 1961, an official of a large commercial concern described a speech by SA Gray as "excellent" and further stated that SA Gray made "a very personable impression for the Bureau." The writer felt that the FBI is performing a distinct service to the country in providing able representatives like Mr. Gray.

A letter of February 28, 1962, from a representative of the National Education Association described SA Gray's lecture before the annual convention of the American Association of School Administrators as "excellent." SA Gray's comments were described as "forceful, timely, and particularly well informed."

A chairman of an inter-church council group, by letter of March 6, 1962, described SA Gray's talk before his group as "informative and inspiring." He said that those present now know what they can do as American citizens to combat the menace of communism.

A letter of August 14, 1962, from a colonel, United States Army, described SA Gray's address before a Foreign Officer Intelligence Course as "outstanding." His discussion of international communism and Soviet espionage activity was termed "highly professional."

Other evidence of SA Gray's effectiveness in connection with his contacts with the public has been a number of requests that he has received for reprints of the Director's articles, statements, and posters. This further stimulates the interest and cooperation of the public in connection with the vital work of the Bureau.

SA Gray is a versatile researcher and writer. He has effectively written materials on a wide range of subjects in the communist field, such as the "Party line" strategy, tactics, and current developments. On July 2, 1962, SA Gray was commended

by the Director for his superior work and devotion to duty in the preparation of material in the field of communism.

SA Gray has consistently sustained a high level of performance of his duties and merits recognition.

On 10/26/62, SA ARBOR W. GRAY appeared before the Texas Association of School Administrators at their noon luncheon at the Stephen F. Austin Hotel, Austin, Texas.

Special Agents from the Austin Resident Agency have advised me that SA GRAY's talk was extremely well received. He spoke on communism and it was observed after the talk that a number of people contacted SA GRAY and manifested a high degree of interest in the subject matter of his speech.

After the meeting several Superintendents of Schools contacted SA GRAY relative to the Director's book on "A Study of Communism" and indicated considerable interest. Dr. IRBY B. CARRUTH, Superintendent, Austin Public Schools, Austin, was at the head table at the luncheon and commented favorably on the book, "A Study of Communism".

Mr. LEON R. GRAHAM, Executive Secretary, Texas Association of School Administrators, Austin, expressed his deep appreciation to Mr. HOOVER for making it possible for SA GRAY to appear before the Texas Association of School Administrators. He related that SA GRAY's delivery was excellent and he had a timely message of real importance.

The School Superintendents in attendance were from all parts of the State of Texas, and I feel it was very worthwhile for a Bureau representative to appear at this meeting.

I have been advised that numerous complimentary remarks were made concerning SA GRAY's appearance.

I thought the Bureau would be interested in the very fine appearance made by SA GRAY in Austin.

Dear Mr. Hoover:

May I, personally and on behalf of the officers of the Texas Association of School Administrators, thank you most sincerely for your cooperation in permitting Mr. Arbor W. Gray to be with us on last Friday for the Texas Association of School Administrators luncheon.

Mr. Gray made a most excellent presentation and I have heard nothing but commendation for his remarks. He is most certainly an outstanding example of the very fine men you have been able to attract to a career in the Federal Bureau of Investigation.

Very cordially yours,

Leon R. Graham

Dear Mr Gray:

Your speech at our luncheon on Friday was interesting and informative. I have never seen women sit so long and be so attentive. You should be really flattered.

I trust that you did not have another important engagement as we kept you over time.

Thank you very much for being with us. We feel safer knowing we have men like you helping to make our lives secure.

Gratefully Yours,

Dear Mr. Hoover:

I want to compliment your organization on the fine presentation and address made by Mr. Arbor W. Gray, special agent, in addressing the luncheon meeting of the Cleveland World Trade Association on Thursday, December 20, 1962, on the subject "Why Reds Make Friends with Businessmen".

The information that we heard was very interesting and I am sure will be beneficial, from the standpoint of building better relationships between businessmen in Cleveland and the Bureau.

Incidentally, Mr. Gray has a very good speaking voice and I mentioned to him that his voice sounded much like the voice of Lowell Thomas.

Sincerely yours,

Dear Mr. Hoover:

I wish to tell you of the magnificent presentation of the topic "Communist Tactics In The U.S.A." which was given for the Adult Education Institute of Notre Dame College last week by Mr. Arbor W. Gray. He knew his subject inside out and presented both in the formal address and in the question period a clear and all embracing picture of his subject. Moreover, everybody in the audience gave evidence of a feeling of security and assurance at the realization that the men of the FBI are on the alert and handling this threat to our nation so well.

Mr. Gray presented me with a copy of your new book, "A Study Of Communism". I know that I shall learn a great deal from its perusal.

Asking God's blessing in your work, and with every personal good wish, I remain,

Very sincerely yours,

On 3/13/63 Liaison Agent had occasion to discuss another matter with Mr. John R. Crown, Administrative Officer, of the Export-Import Bank. Crown mentioned to the Liaison Agent that he had been designated to attend a two-week session of the Foreign Service Institute, Department of State, during February, 1963. He advised that this is primarily a lecture-type course of instruction and is dependent for effectiveness upon the quality of the speakers. In this regard, he advised that Mr. Gray was one of two speakers whom he considered outstanding, both as to presentation and subject matter.

Crown pointed out that he, as well as many of the students attending this Institute, do not have regular contact with the agency providing speakers and naturally their impressions of the agency are greatly affected by the limited contacts they do have. He stated he heard many favorable comments concerning Mr. Gray's presentation and the Bureau is certainly very favorably represented by a person of Gray's caliber and obvious ability in this field.

Mr. Crown was thanked for his favorable comments.

**QUALITY WITHIN-GRADE SALARY INCREASES
INVESTIGATIVE PERSONNEL
DOMESTIC INTELLIGENCE DIVISION**

Mr. Sullivan has recommended Quality Salary Increases for ten Agents in the Domestic Intelligence Division in connection with the submission of their 1963 annual performance reports. These are in addition to Quality Increases which have already been approved for eleven investigative personnel who received Outstanding annual performance reports. Each of these men was rated Excellent or Outstanding on all important items in his performance report and received an over-all adjective rating of Excellent. Mr. Sullivan in justification certified that they have performed the most important functions of their positions in a manner which substantially exceeds the normal requirement; their work has been highly effective; this exceptional high level of effectiveness has been sustained during the rating period and is expected to continue indefinitely; and when viewed as a whole, their performances merit a faster than normal salary advancement.

In addition to being rated Excellent on this performance report, each is completely available, their overtime has been satisfactory, and no serious administrative action was taken against them during this rating period. There follow additional specific comments concerning each for the past year:

SA Charles D. Brennan EOD 4-19-48 and is in Grade GS-14, \$13, 695. Commended on four occasions and received one incentive award. No censures.

SA Daniel J. Brennan EOD 1-19-48 and is in Grade GS-15, \$15, 045. No commendations or censures.

SA Joseph F. Condon EOD 1-20-47 and is in Grade GS-14, \$14, 120. Commended on one occasion and once through Assistant Director. Received one incentive award. Censured for error 11-6-62.

SA Arbor W. Gray EOD 11-6-60 and is in Grade GS-14, \$13, 270. Commended on two occasions and received one incentive award. No censures.

SA John E. Keating EOD 9-20-48 and is in Grade GS-13, \$13, 975. Commended once and on one occasion through chairman of Domestic Intelligence Division Streamlining Committee. Received one incentive award.

SA [] EOD 2-17-47 and is in Grade GS-14, \$13,695. Commended on two occasions and received one incentive award. Censured on two occasions for errors, the last on 2-7-63.

SA Edward B. Reddy EOD as SA 1-4-43 and is in Grade GS-14, \$14,545. Commended on two occasions. Censured twice for errors, the last on 3-22-62.

SA Richard W. Smith EOD as SA 2-3-41 and is in Grade GS-15, \$15,525. Commended once. No censures.

SA W. Raymond Wannall, Jr. EOD 7-27-42 and is in Grade GS-15, \$15,525. Commended on four occasions and received one incentive award. No censures.

A careful review of information submitted by Mr. Sullivan, including the performance reports and Agents' personnel files, reflects that Quality Salary Increases are justified and would be more suitable recognition than a cash award for their superior performances under the incentive awards program.

That SAs Charles D. Brennan, Daniel J. Brennan, Joseph F. Condon, Arthur W. Gray, John E. Keating, [], Edward B. Reddy, Richard W. Smith and W. Raymond Wannall, Jr., each be approved for a Quality Within-Grade Salary Increase.

Dear Mr. Hoover:

On March 20, 1963, it was my pleasure to introduce Special Agent Arbor W. Gray to a public audience in the St. Petersburg Woman's Club. Mr. Gray's comments concerning Communist espionage, intelligence and ideology were extremely well presented. The lengthy question session following his address surely indicated its reception.

I feel that the St. Petersburg Woman's Club and the St. Petersburg Bar Association will join we of the Florida Bar Committee on Communist Tactics, Strategy and Objectives in thanking you for making Mr. Gray available for this presentation.

Following the program, Mrs. Virginia Turner, President of the Woman's Club, inquired if similar programs could be obtained in the future. Upon returning to Miami, I discussed with John G. McKay, Jr., Chairman of our State Committee, the possibility of arranging such programs in all of the larger Florida cities, thereby supplementing our other projects. Chairman McKay was enthusiastic about this idea and mentioned that he thought that far greater results would obtain if we were able to present Federal Bureau of Investigation speakers from Washington. It is thought that such programs could be sponsored jointly by the individual local bar associations and the Florida Bar Committee on Communist Tactics, Strategy and Objectives.

Accordingly, I ask if such proposed activity would interfere with the heavy workload of the F.B.I.? If not, our State

RATING GUIDE AND CHECK-LIST

Note: Only those items having pertinent bearing on employee's performance should be rated. All employees in same salary grade should be compared.

Rate items as follows:

- + Outstanding (exceeding excellent and deserving of special commendation).
E Excellent.
✓ Satisfactory (good or very good).
- Unsatisfactory.
O No opportunity to appraise performance during rating period.

Guide for determining adjective rating:

- "Outstanding" adjective rating requires (A) that all rated elements be "+" and (B) that each and every rated element be factually justified by narrative detail on reverse of Form FD-185.
- "Excellent," "Satisfactory" or "Unsatisfactory" adjective ratings will depend upon the composite result of evaluating all rated elements rather than following any mechanical formulas; however, for an employee to be rated "Excellent" he must not be rated unsatisfactory on any performance evaluation factors on the rating guide and check-list and must be rated "Excellent" or "Outstanding" on the majority of such rating factors. Good judgment must be exercised to insure that adjective rating is reasonable in the light of elements rated.
 - Any element rated "Unsatisfactory" must be supported by narrative comments.
 - An "official" adjective rating of "Unsatisfactory" must comply with the requirements described on the reverse of form FD-185.
